What have we done so far - Summer 21 update?

- *Met with Mrs Johnson to explore our role and share our ideas
- *Decided on a system/notice board for you to share your ideas with us
- *Organised a rota for tidying up the PE and sports equipment on the stage
- *Help do an equipment audit so we know what needs replacing or buying
- *Help Mrs J plan some “sports day type” events for each year group
- *Made some plans for the last few weeks of term!

Which brings us on to our special news... a school first!!

have arranged for all the classes in Year
