

**Mrs Weston's
Music of the
month menu!**

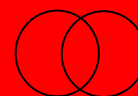

Try to complete 1 item from the menu every week.

Try to increase the 'heat' of your activities.

Don't forget to keep track of the house points you are earning for each activity you complete!

Comparing then and now! 5HP
Investigate and compare the music of this month's music style and the music of the present day. You should compare and contrast 2 pieces from each period and comment on the following: Dynamics, Tempo, Pitch, Instruments, Texture etc...). Use a Venn diagram if it help.....

Listening 4HP
Listen to 3 pieces of music from this month's style and describe what you hear in short sentences. Listen out for the use of: Dynamics, Tempo, Pitch, Instruments. Add a sentence for each to explain how the music makes you feel.

It's quiz time 3HP
Use your knowledge of this month's music style, to create a 10 question quiz to test your teacher and friends.

I write the music 2HP
Research to help you identify 3 composers/artists from this month's music style. You should find out 3 facts about each of their lives and recall four of their famous compositions/songs.

Papa-Paparazzi 5HP
Research the life of a composer/artist linked to this month's music style. Produce a list of questions to ask them about their life and their music. Create a mock interview, answering your questions. You can choose to present this in any format. (magazine article, radio interview etc...)

PowerPoint Slideshow 4HP
Using PowerPoint create an informative slideshow which explains all about this month's music style. Include musical clips and links to YOUTUBE performances.

Acrostic Poem 3HP
Create an acrostic poem to sum up this month's music style using relevant information.

Collage 2HP
Find images which relate to different elements of this month's music style. Mash them up to make an informative and effective collage. Your collage could include clothes associated with the style, famous bands/musicians and instruments.
